FREEPOST AESCULAP ACADEMIA EDUCATION

General Terms and Conditions of Aesculap Academia, UK

1. Registration

Please complete and return the registration form, ensuring that all payment details have been completed. Payment must be received no later than 4 weeks prior to the course. If payment is not received we reserve the right to allocate your place to another delegate.

2. Cancellation by the Delegate

A full refund will be given for all courses cancelled no later than 4 weeks prior to the course date. After this time and up to 14 days before the date of the course, we will offer to offset the value of the course against another Academia event, or for refunds an administration charge of 10% of the course fee will be made. For cancellations that are made between 14 and 7 days before the date of the course we reserve the right to charge half the participation fee. The full participation fee will be payable for cancellation after this period and for non-attendance.

3. Course Content

We reserve the right to change the course content, the venue or location and/or the faculty at any time. However, we make every effort to ensure that all courses run as advertised.

4. Cancellation of the Course

We reserve the right to cancel/reschedule the course, at any time. Cancellation notices will be sent to the email address or number given on the registration form and receipt will be assumed unless evidence of non delivery is received. A full refund of course registration fees (only) will be made to participants who are unable to attend on the rescheduled date. Aesculap Academia will not accept liability for any other loss, damage, costs or expenses incurred by the Delegate as a result of the cancellation/rescheduling of the course, including without limitation: professional fees or other earnings and costs.

5. Data Protection

With your registration you confirm to your personal information being recorded for the purpose of event administration and to receive information on future events from Aesculap Academia.

If you wish to be removed from our database please send an email to: academia.bbmuk@bbraun.com.

6. Health Concerns

Please inform us if you have any existing health conditions or dietary requirements we should be aware of.

Aims

This two day meeting aims to provide the practical indications for and the evidence base underpinning novel treatments and techniques that have recently entered into clinical practice or are about to enter it, at centres of excellence world-wide, so that practicing head and neck clinicians can consider and assess the relevance of these treatments to their patient populations. The meeting also aims to review and present the latest evidence in the management of uncommon and difficult conditions, and provide a forum for discussion of these challenging cases.

Objectives

The aims of this meeting are to:

- Discuss evidence based indications for new treatments and techniques
- Provide insights and practical tips on implementing these novel treatments and techniques into clinical practice
- Review the latest evidence in the management of uncommon and difficult head and neck cases and conditions
- Practical tips and tricks to prevent and deal with complications and to improving functional outcomes of treatment
- Provide a forum for discussion of challenging head and neck cases and situations

Target Audience

This two day meeting is aimed at practising consultants, senior trainees and practising allied health professionals of all specialities in the field of head and neck, including clinical and medical oncologists, ENT surgeons, maxillofacial surgeons and plastic surgeons, CNSs and AHPs.

Course Director

Professor Hisham Mehanna
Institute of Head and Neck Studies and Education,
University of Birmingham

Organising Committee

Horizons of Knowledge

Competence to master the future.

Aesculap Academia enjoys a world-wide reputation for providing continuing education for health-care professionals including surgeons, physicians, nurses and anaesthetists.

Our CPD accredited courses consist of a variety of teaching methods including hands-on workshops, seminars and lecture based conferences.

Aesculap Academia courses are of premium quality and accredited by the respective medical societies and international medical associations.

We are pleased to welcome suggestions on specific areas of interest or ideas for future courses that you may want to discuss further with our team of experts.
